

- GOLF CLUBHOUSE -

The new Golf Clubhouse located on the southern edge of the golf course is currently under construction! The Clubhouse offers the finest in mountain contemporary architecture. Set against the stunning backdrop of Eglise Mountain and the Gallatin Range, the new clubhouse overlooks the 18th green, the ideal location to usher in golfers after a fun day on the course. In addition to dining options, the clubhouse will offer locker rooms for men and women, a floating green, and six, one-bedroom suites.

- Each suite contains one bedroom, living room, kitchen, and bathroom.
- Each suite must be placed in the rental program, which is currently administered by Yellowstone Mountain Club.
- The Unit may not be occupied by the same person for more than 180 consecutive days.
